

TECHNOLOGY, PLATFORMS & INFRASTRUCTURE LEADER

THE BLOCKIES.

2024 Australian Blockchain Awards

Nomination Questions

The Technology & Infrastructure Leader award recognises the innovators behind blockchain technologies, protocols, and services that are solving critical challenges and driving the evolution of the digital economy. This award highlights the talent, leadership, and impact of businesses that are advancing technology and significantly contributing to the industry's growth and success.

Eligibility

This award could be won by developers, layer 1 protocols, gaming platforms, custody solutions, DAOs, interoperability technologies, scalability innovations, privacy and security protocols, DeFi platforms, supply chain solutions, or tokenisation platforms—those driving technological advancements and solving complex challenges.

- This is a business award.
- Open to businesses from both Australia and internationally, provided international businesses are actively operating within or have a significant business presence in Australia.
- This award is open to businesses that have demonstrated exceptional leadership in the development and deployment of blockchain technology, platforms, and infrastructure.

Innovation & Leadership:

Describe the most significant solutions and/or innovations your organisation has developed. How have these demonstrated leadership and contributed to the advancement of the digital economy? (Max 250 words)

Strategic Vision & Execution:

Discuss your organisation's long-term vision for distributed ledger technology and how it aligns with your strategic initiatives. How have your organisation's core values influenced the development and deployment of your solutions? (Max 300 words)

Case Study

Industry Impact:

Provide a case study of a specific project or initiative where your organisation's technology made a significant impact. This could include improvements in efficiency, scalability, security, or user adoption. Describe the challenges you faced and how you overcame them. (Max 250 words)

Community Engagement & Partnerships:

Discuss any community engagements, collaborations, or partnerships your organisation has undertaken. How have these efforts fostered a more robust and collaborative blockchain community? (Max 200 words)

Uploads:

Logo: Please upload a high-resolution logo of the organisation.

Company Overview: Provide a brief business bio (max 50 words)

Supporting Documentation: Attach any relevant documents, case studies, endorsements, testimonials, or other materials.
