SOCIAL ENTERPRISE OF THE YEAR

This Award is open to businesses that can demonstrate an initiative, campaign or project that has resulted in community or social benefit using blockchain technology.

This award showcases social enterprise projects that are applying commercial strategies to maximize improvements in human and environmental wellbeing, rather than maximising profits for external shareholders.

Eligibility

- This is a business award.
- Applicants must hold an ABN or be otherwise domiciled in Australia.
- The business has a clear social or environmental mission.
- The project must make significant use of blockchain technology in delivering its products or services.
